SOLE AGENTS FOR

Her Majesty's Corset

They may beat us with their blousing
And give us "fit for fat,"
But when we make the prices
They Can't Beat That.

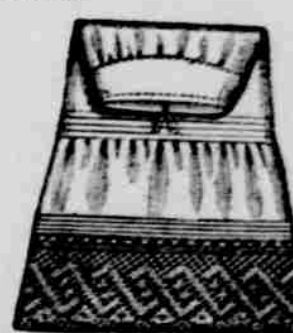

THE PRINCESS OF WALES CO., manufacturers of HER MAJESTY'S CORSET will have at our store from Monday, June 4th, to Saturday, June 9th, Mrs. Howard one of their expert fitters, for the purpose of explaining to ladies the MANY MERITS of HER MAJESTY'S CORSET and the reason why it is superior to any other corset made in the world. We have prepared A FITTING ROOM which Mrs. Howard will use, and after she leaves us we will fit all corsets if so desired.

THE BEST WAY

To gain success is to deserve it. That's just why we make for this week some special offerings which we know will DESERVE INSTANTANEOUS RECOGNITION. Here's number one:

Ferris Good Sense Waist, sizes 1 to 8 years, boys or girls. If made by Ferris there's no question about the how good; its only a question of price, and that's the cause of all this talk today. Had they been at the regular price (double what we will ask tomorrow) this special sale would not have been held, but that's the surprise. Ferris waists tomorrow 25 cents.

This fine muslin skirt, see center window, cambric ruffle, edged with Torchon lace. SPECIAL SALE TUESDAY 23c.

MAIL ORDERS get the best attention. Samples CHEERFULLY sent. Note the cheerfully.

Monson & Namara.
